### What is TNT Youth Ministry?

TNT stands for "TEENS NEED TRUTH." Our goal is to break down the walls of pain and hurt by sharing Christ's love with young people. This ministry has partnered with various churches and public schools scattered across the Ephrata, Warwick, ELANCO, and Hempfield school districts.

**Youth centers** We partner with churches to provide evening youth outreaches that we call youth centers. These evenings provide a safe environment where young people can enjoy games, sports, hanging out, meeting people, and having fun. We also make sure we share about God's love and how Jesus can change lives.

**Campus ministry** In today's youth culture we see so many young people believing lies about their self-image and value. Our goal is to serve the local school districts in any way that can help students achieve the best educational experience possible. We do this by providing positive, adult role models on campus, and by giving students the help and encouragement they may need to get through the challenges of being a teenager.

TNT Youth Ministry Presents
